

Sahil Khan

Junior Software Engineer & CSE Student

skhan292752@gmail.com | <https://github.com/mansuri1122> | <https://www.linkedin.com/in/sahil-khan-2943b4298>

SUMMARY

Computer Science and Engineering student with knowledge of Java, C++, SQL, Spring Boot and web development. Familiar with OOP, DSA, relational databases, REST APIs and Git/GitHub.

EDUCATION

B.Tech – Computer Science & Engineering

Bansal College of Engineering, Mandideep | 2023–2027 | CGPA: 6.89/10

TECHNICAL SKILLS

Programming: Java, C++, SQL

Web: HTML, CSS, JavaScript

Backend: Spring Boot, REST APIs

Database: MySQL, MongoDB

Tools: Git, GitHub, VS Code, IntelliJ IDEA

Core CS: DSA, DBMS, Object-Oriented Programming, Collection Framework (List, Set, Map)

PROJECTS

Academic Assistance System

[Java](#), [Java Swing](#), [MySQL](#), [JDBC](#)

Java Swing and MySQL application with student and teacher modules for attendance, grades, timetable, syllabus and academic notifications. Uses JDBC for database connectivity and separates the application into functional modules.

EventHive – Event Management System

[Java](#), [Spring Boot](#), [REST APIs](#), [MySQL](#)

Event management platform with event listing, registration, authentication and an admin dashboard. Built with REST APIs, relational database integration and responsive reusable components.

CERTIFICATIONS

- Java Programming Certificate
- AWS: Zero To Hero - TrainWithShubham - 06 Nov 2025
- Introduction to IoT and Digital Transformation - Cisco Networking Academy - 17 Sep 2025
- Introduction to MS Excel - Simplilearn SkillUp

ACHIEVEMENTS

- BGI Hackathon Top Finalist - Selected as a top finalist among participating teams.
- Startup Pitch Competition - Presented a startup idea and its business model at Bansal College of Engineering.
